<input type="checkbox"/> It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability. <input checked="" type="checkbox"/> It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.			
(Applicant/Applicant's Representative Signature – if appropriate)			

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted the Applicant to inquire about two sets of claims filed on the same date (July 27, 2006). Since there were no mark-ups, preliminary amendments, or status identifiers to determine the most current set of claims, the Applicant verified that the set of claims to be examined is the set without the PCT data heading at the top of each page..
